

FILTER LABEL & LEGEND

PETRO CLEAR[®]

Champion Laboratories, Inc.

**The PetroClear Part Number Tells You a Lot!
Diameter, Height, Micron Rating, Function & More.
"It's all in the label."**

FILTER DIAMETER

Rounded to whole number
4 = 3.69"

FILTER HEIGHT

Rounded to whole number
5 = 5.36"

MICRON RATING

10 = 10 Microns

FUNCTION

P = Particulate Removing

APPLICATION INFO

AD = Gilbarco, Encore, Eclipse, Advantage, Tokheim Premier Model C

FUNCTION:

- A = (Alert) Phase Separation Detection & Particulate Removing
- D = (Dual Purpose) Phase Separation & Water Sensing Particulate Removing
- G = Synthetic Glass Media (particulate removing only, more efficient & high capacity)
- P = Particulate Removing Only

APPLICATION INFO:

(blank) = mounting stud=1-12 UNF (3/4" flow)*
(*Except agriculture function filters - Agriculture= 1 1/2-12 UNF 1" flow)

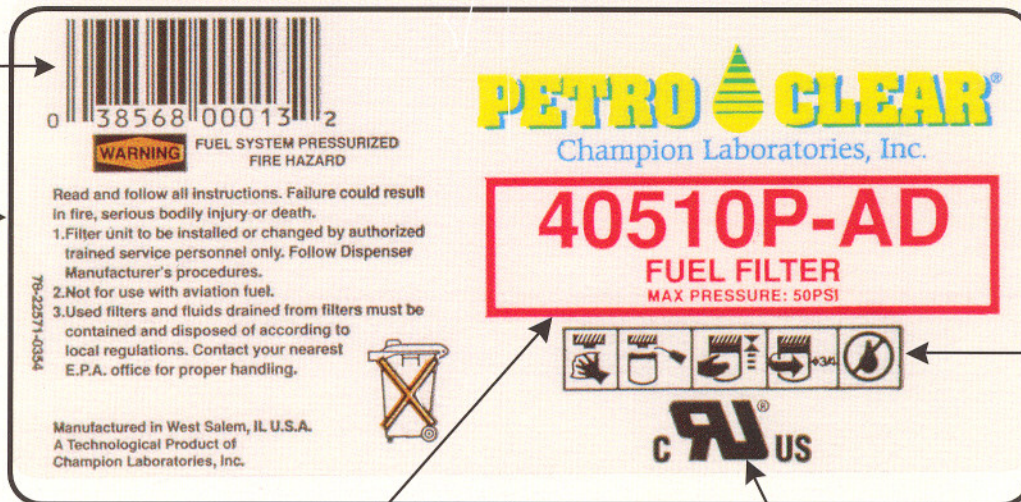

PETROCLEAR FILTER LEGEND:

- W = Water Sensing & Particulate Removing
- AG = (Alert) Phase Separation Detection & Synthetic Glass Media
- DV = Drain Valve (Petcock Style)
- PA = Particulate Removing Agriculture (mounting stud 1 1/2-12 UNF 1" flow)
- WA = Water Sensing & Particulate Removing Agriculture (mounting stud 1 1/2-12 UNF 1" flow)
- AD = Gilbarco, Encore, Eclipse, Advantage & Tokheim Premier Model C (mounting stud 1.5-16 UNF 1" flow)

Quick Color Reference Helps with Fast Filter Function Identification

Bar Code for Scanning
Inventory Control

Safety Information

International Installation Instructions
With Correct Torque Information

- RED = Particulate Removing Only**
 - BROWN = Water Sensing & Particulate Removing**
 - BLUE = Phase Separation Detection "Alert" & Particulate Removing**
 - GREEN = Phase Separation Detection & Water Sensing & Particulate Removing**
