FREE ALL Spreads deep into rusted or frozen parts, freeing them in seconds with ease!

You'll find Free All on shelves in auto shops and industrial plant floors. It's been the secret weapon in the toolboxes of mechanics, and other professionals for years.

Professionals, homeowners and other smart folks are using Free All to bring any frozen, rust-covered parts back to life.

Break Down
Action...eats
away the rust...

THE RUST EATER

Free All Actually
EATS RUST!

The Secret's Out!

- Penetrates rust, scale and corrosion to free parts and assemblies INSTANTLY!
- Loosens red and white lead, tar, grease, carbon and graphite deposits.
- No more torching, drilling, hammering or chiseling.
- Specially formulated rust eating agent is ideal for plumbing, automotive, marine and general industrial applications.
- Will free up all threaded pipe connections, rusted machine screws, bolts, nuts, clamps for mufflers and tail pipes, pillow blocks, universal joints, locks, etc.
- Contains NO silicones, making it safe in paint and shop environments.
- Our eye-catching, 4-color, reusable counter display arrives pre-assembled, takes up minimal space and holds 12-12oz. cans.

FS16	1 pt. Spray	12
FA28	1 gallon	6
FA55	55 gal. Drum	1
RE12DC	12 oz. Aerosol Display	1

JUST THE FACTS...

Free All vs. the other guys...
An independent testing lab found that Free All has more rust breaking strength than:

Liquid Wrench[®]
WD-40[®] and
PB B'laster[®]

Unlike the other guys, Free All is **MORE** than a lubricant because it has special ingredients that actually eat rust!
