

CL SERIES

COMPACT CANOPY LIGHT

(polycarbonate drop lens)

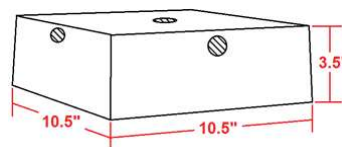

(polycarbonate drop lens)

These slim surface mount lights are perfect for stairwells and passageways, low bay lighting, parking garages, under canopies, and gas station canopies. Both finishes are available with either a flat glass lens or a polycarbonate drop lens.

(flat glass lens)

(flat glass lens)

CONSTRUCTION & COMPATIBILITY

- Heavy duty LEDs
- Patent-pending design improves optic spread
- Die cast aluminum housing with durable powder coat
- Flat, tempered glass or tamper-proof polycarbonate lens
- Slim, surface mounted design for simple installation
- Conduit can enter from knockouts on sides or top
- Compatible with 0-10V dimming controls
- Capable of reverting to lower-power, lower-output state when installed with correct occupancy controls
