Security Seal Kits

Our non-residue security labels are proven-in-use as an effective tool to combat tampering at gasoline pumps and dispensers.

OFFICIAL DISPENSER SECURITY SEAL

IF VOID/OPEN
APPEARS, PLEASE
NOTIFY ATTENDANT
87654321

- After applying to access hatches and doors, these labels help to indicate if credit card skimming equipment has been inserted inside the gas dispenser.

OFFICIAL DISPENSER SECURITY SEAL

IF VOID/OPEN
APPEARS, PLEASE
NOTIFY ATTENDANT
87654321

- When removed, the security label shows the words VOID OPENED in the label film. Our non-residue security labels do not leave any adhesive residue on the gas dispenser surface.
- This is a one-time use product, which is suitable for outdoor applications.
