

Product: **Oil Only Bonded Meltblown (SM) Roll, Heavy Weight**
Mfg # RHWS200 • Model # BR200W

Product Family: Oil Only Sorbents
Product Size: 12" x 200'
Color: White
Fluids Absorbed: Oil Only
Absorbs: Up to 30 gal
Weight Class: Heavy Weight

Shipping: Shipping Size: 20" x 17" x 16"
Shipping Weight: 13 lb
Items Per Package: 1
Quantity Per Pallet: 36
Shipping Class: 175
Harmonized Code: 5603.14.0000

Product Description: Bonded (SM) Pads share the same features as our dimpled meltblown pads, plus an extra layer of spunbond polypropylene that is bonded to the top to make the pads low-linting on one side and highly absorbent on the opposite side. The bonding process increases the strength and durability of the pads so they can be perforated like a paper towel. Perforations will help reduce waste and allow you to use the exact amount needed for the job. These pads are the best of both worlds—the lint-free top sheet side can be used to clean and wipe tanks, tools, walls, etc. without leaving lint, but you also can use the meltblown side for quick absorption of fluids.

- Lint free top sheet for a stronger, more versatile pad than standard meltblown.
- Stronger tensile strength than the dimpled pads
- One side is lint-free that can be used for wiping
- Perforated every 7.5" vertically and 19" horizontally to waste less
- Low-linting & highly absorbent

One layer of spunbond fabric is bonded to a single layer of meltblown polypropylene.

Durability Rating ★★★★★

- ◆ Stronger tensile strength than the dimpled pads & rolls
- ◆ Lint-free side can be used for wiping
- ◆ Perforated every 7.5" vertically and 19" horizontally to waste less

Applications:

- Marine Spills
- Outdoor Spills
- Indoor Spills & Overspray
