

Here at Allied Electronics, the health and well-being of our customers and employees is our top priority. We are actively monitoring updates regarding the Coronavirus (COVID-19) and are following precautions and guidelines provided by the CDC and public officials.

At this time, Allied Electronic is here to serve all of your needs. Out of an abundance of caution, we, like many other small businesses, have implemented several measures to protect the well-being of our customers and our employees at the corporate office.

Additionally, in an effort to make shopping safer and more convenient we're implementing **Curbside Contactless Pickup.**

Here's how it works:

Shop. When shopping online, select 'pick up in store'.

Drive. Upon confirmation of order status, drive to our office and park along the curb on Radcliffe Street.

Call. Call 215-785-6200 ext 772 to speak with a teammate; share your order details.

Deliver. A parts person will deliver the order to your vehicle.

Please note. Curbside Contactless Pickup will be available from 8:00 AM to 5:00 PM.
At the Part Department side door located on Radcliffe St.

As you would expect, we are doing what we can to keep everyone safe.

We always work to provide a safe and comfortable environment for our customers and employees. As we continue to track developments regarding COVID-19 closely, our future decisions will be made with customers and employees as our top priority.

Thank you,

Allied Electronics
